

ALUMNAE ASSOCIATION OF MOUNT HOLYOKE COLLEGE
ALUMNAE LOYALTY AWARD 2013

PRESENTED TO

Sonya Peterson Reutelhuber '58

The Alumnae Association of Mount Holyoke College is pleased to honor **SONYA PETERSON REUTELHUBER, CLASS OF 1958**, with the Loyalty Award. You have helped the College and the Alumnae Association by generously dedicating your time, talents, and resources to the fulfillment of our mission and our enduring values. Your contributions to your club and the alumnae community have been outstanding. For your loyalty and devotion over the years, we are deeply grateful.

Where would the Northern New Jersey Club be today without you? That's the observation made by other alumnae time and again when we sought to learn more about the long list of roles you have played since as far back as 1987. Offices you have held include president, copresident, first and second vice-president, program chair, ways and means chair, and newsletter chair. Your club has met four times each year. You have invited speakers from campus, including at least two College presidents and alumnae. The tradition of underwriting a named club scholar year after year has made the Northern New Jersey club a generous force in the annals of the Alumnae Association. By remaining involved as a copresident, you have engaged other area alumnae to keep the club on the map while helping to keep the leadership roles right-sized for today's busy alumnae. Your sister alumnae credit you with helping to maintain the vitality of your very active club. We also know that you have contributed to the success of club gatherings with a series of delicious dinners!

Sonya, you have embodied Mary Lyon's expectation when she said, "Let one efficient lady, in almost any place, either alone or with one or two to aid her, commence the work with decision, and with perseverance carry it through, and it will be done!" It is with great pleasure and sincere thanks and appreciation that we present you with the Alumnae Association Loyalty Award on this, your fifty-fifth reunion.
