

ALUMNAE ASSOCIATION OF MOUNT HOLYOKE COLLEGE

# ALUMNAE MEDAL OF HONOR 2013

PRESENTED TO

*Nancy Boggie Kuehler '65*

**NANCY BOGGIE KUEHLER, CLASS OF 1965**, you have served the Mount Holyoke College community with distinction through your club in Germany, the European Council, your class, the Alumnae Association, and the College.

You are a beacon lighting the path of alumnae leadership across the miles between South Hadley and Germany. You make it possible for sister alumnae to connect with one another and enjoy the unique Mount Holyoke camaraderie and friendship far from campus. Having called Germany home for many years, you have shown that distance does not prohibit involvement in advancing the work of the Alumnae Association and the College, but it does require a special level of commitment. You have served as president of the Mount Holyoke Club of Germany for many years, as well as a delegate, secretary, and, most recently, chair of the European Council. You chaired the 1999 European Alumnae Symposium in Munich; you are active in your class as a fundraiser and, leading up to your fiftieth reunion, as international scribe. You have been active in the Admission effort in Germany as Alumna Admission Representative, Book Award Sponsor, and Book Award Chair. Finally, when there was a need for a co-organizer for the Warsaw Symposium, you stepped in to provide the Mount Holyoke European Council with the leadership and support needed to ensure planning continued in a thoughtful and steady manner.

Your accomplishments as chair of the European Council included completing bylaws that will provide the organization with a stable structure for the future. Alumnae have noted your great tact and diplomacy, qualities that have enabled you to successfully chair the European Council.

Nancy, for your commitment and exemplary leadership across so many areas of involvement, the Alumnae Association thanks you and is proud to present you with the Alumnae Medal of Honor at this, the 2013 Mount Holyoke European Alumnae Symposium, prior to your fiftieth reunion in 2015.
