

ALUMNAE ASSOCIATION OF MOUNT HOLYOKE COLLEGE

ALUMNAE ACHIEVEMENT AWARD 2015

PRESENTED TO

Mary Bremer Kelley '65

MARY BREMER KELLEY, CLASS OF 1965, we honor you today with the Alumnae Achievement Award. This award is presented to alumnae whose accomplishments and service to society exemplify the values and virtues set forth by the College.

As a distinguished historian of American women's experiences, you have shared your wealth of knowledge at the University of North Carolina, Lehman College—CUNY, Dartmouth College, and the University of Michigan. Additionally, your service as president of both the Society of Historians of the Early American Republic and the American Studies Association and as a member of the executive board of the Organization of American Historians has positioned you as a notable scholar and contributor to the field of historical inquiry.

Your expertise in the realm of women and gender in nineteenth century America has culminated in the publication of several books, including, in 2006, *Learning to Stand and Speak: Women, Education, and Public Life in America's Republic*, which has been called a landmark publication in American women's history. You have used your powerful voice and extensive knowledge of women's learning in service to your own alma mater as a member of the Mount Holyoke College Board of Trustees and the Alumnae Association Board of Directors.

For your service to the arts and sciences as a leading scholar of women and gender in nineteenth century America and for your service to your alma mater, the Alumnae Association is honored to present you, on your fiftieth reunion, with the Mount Holyoke Alumnae Achievement Award.
