ALUMNAE ASSOCIATION
MOUNT HOLYOKE COLLEGE

Dear Alumnae and Friends:

From the Celtic heritage of Brittany and the timeless, stately elegance of London to the old-world sophistication of Portugal and the artistic riches of Spain's Basque country, a riveting canvas of influential European seaports awaits you along the shores of the Atlantic Ocean. We are delighted to present this exclusive, Five-Star, small ship itinerary featuring the captivating historical legacies and the enduring yet dynamic cultures of these European Coastal Civilizations.

Visit three UNESCO World Heritage sites, including the magnificent Mont-St-Michel and its impressive abbey that appears to rise out of the sea; Santiago de Compostela, where you will walk in the footsteps of medieval pilgrims to visit the tomb of St. James; and Oporto, the center of world-famous port wine production.

A highlight is sure to be your experience at the hallowed beaches of Normandy with special guest speaker Dwight David Eisenhower II, grandson of General and President Dwight D. Eisenhower, Supreme Commander of the Allied Forces during World War II, where the course of world history was altered in 1944 with the historic D-Day landings.

On this extraordinary nine-day program, cruise aboard the exclusively chartered, state-of-the-art, **Five-Star LE LAPÉROUSE**, launching in 2018—one of the first ships to launch in the brand new Ponant Explorers fleet. An elegant **small ship** able to sail into ports inaccessible to larger vessels, LE LAPÉROUSE features the unique **Blue Eye** underwater observation lounge. Exclusive to the Ponant Explorers, the **Blue Eye** immerses you in the beauty of the ocean's ecosystems through advanced multimedia technology and subaquatic observation windows.

Spend one night aboard ship a stone's throw from the illustrious Tower Bridge in the heart of London before cruising down the River Thames; tour the Frank Gehry-designed Guggenheim Museum in Bilbao; and cruise Spain's ruggedly beautiful Costa Verde.

This popular program features an included cultural excursion in each port and is an excellent value. I encourage you to book now while space and Early Booking Savings are available!

Sincerely,

Nancy B. Perez

Oporto's historic city center, Ribeira, a UNESCO World Heritage site, is a

picturesque neighborhood of medieval streets lined with colorful houses.

The Normandy Beaches

with Featured Guest Speaker

David Eisenhower

On June 6, 1944, Supreme Allied Commander Dwight D. Eisenhower gave the order for 133,000 Allied troops to land along a 50-mile stretch of heavily fortified French coastline. Supported by 7000 ships and 11,000 aircraft, by day's end the Allies had gained a foothold on the continent to begin their march to liberate Europe. Today the beaches of Normandy echo the historic events that unfolded on the shores so many years ago.

Pay tribute to the Allied Forces whose courageous D-Day invasion changed the course of World War II as you walk the historic beaches of Normandy in the company of Dwight David Eisenhower II, our expert historian who is personally familiar with one of the most powerful world leaders of the 20th century, his grandfather, General and President Dwight D. Eisenhower. In addition to accompanying you to the Normandy Beaches, David Eisenhower will present a dynamic lecture aboard the ship.

DWIGHT DAVID EISENHOWER II is a noted historian of World War II and the Cold War. His 900-page best seller *Eisenhower: At War 1943-1945*, published in 1986, was a finalist for the Pulitzer Prize in history. He is

Senior Fellow of the Foreign Policy Research Institute and a Public Policy Fellow at the Annenberg School of Communication and the School of Arts and Sciences at the University of Pennsylvania.
