

ALUMNAE ASSOCIATION OF MOUNT HOLYOKE COLLEGE

LOYALTY AWARD 2017

PRESENTED TO

Elizabeth McInerney McHugh '87

ELIZABETH McINERNY McHUGH, CLASS OF 1987, the Alumnae Association of Mount Holyoke College is pleased to honor you with the Loyalty Award. This award honors an alumna who has demonstrated exceptional loyalty to the Alumnae Association and/or College with her consistent effort and active involvement over an extended period of time in at least one area of service. Volunteer effort can be on behalf of classes, clubs, global regions, groups, the Alumnae Association, or the College.

Elizabeth, for more than two decades you have committed yourself to serving on behalf of your class, club, and the Alumnae Association. Current chair of the Association's Clubs Committee, you previously served as president of the Mount Holyoke Club of Cincinnati and helped launch an informal alumnae group in New Mexico, in addition to numerous volunteer roles on behalf of your class.

As club president, committee member and chair, and informal group founder, you have demonstrated a long-term commitment to the College and have helped alumnae find the spirit of Mount Holyoke by reconnecting with each other through creative programming and outreach. In 2012 you cochaired the Midwest Alumnae Regional Council, an effort that alumnae noted helped make the event one of the best they ever attended. Through your efforts, the council successfully brought high-level representation from the College to speak to mid-western alumnae volunteers and leaders. Your cochair said, "Beth is a tireless worker who is energetic and creative. She's always coming up with great new ideas."

Elizabeth, for your exceptional loyalty, it is with great pleasure and sincere thanks and appreciation that we present you with the Loyalty Award on this, your thirtieth reunion.
