

ALUMNAE ASSOCIATION OF MOUNT HOLYOKE COLLEGE

VOLUNTEER LEADERSHIP AWARD 2021

PRESENTED TO

Marija Tesla's

MARIJA TESLA, CLASS OF 2011, the Alumnae Association is pleased to honor you with the Volunteer Leadership Award. This award honors a recent graduate who has demonstrated strong leadership, consistent effort over time and active involvement in one or more areas of service, resulting in a meaningful accomplishment for the Association and/or College. Volunteer effort may be on behalf of classes, clubs, global regions, groups, the Association or the College.

Marija, in the ten years since your graduation you have made a significant impact through the breadth of your service to Mount Holyoke. Your leadership is widely recognized by members of the Alumnae Association, the College and your class. You have served in many volunteer roles since graduation, and you are recognized for thinking outside the box, engaging with all members of the Mount Holyoke community and forging relationships across generations.

As class president, you have facilitated connections within your class, helped increase attendance at mini-reunions and boosted classmate giving to The Mount Holyoke Fund. During your years as a young alum trustee, you joined the commission working on the relationship between the College and the Alumnae Association and served on the search committee for the Association's new executive director, helping to define the skill sets needed for the position. As one alum notes, "Marija lives and breathes Mount Holyoke, and it shows in everything she does."

Marija, for your strong leadership, the Alumnae Association is honored to present you with the Volunteer Leadership Award on this, your tenth, reunion.
